CAUSE OF DEATH must be filled in plain terms, so that it can be understood. Do not use abbreviations or technical terms. Be particular and definite. Do not say "Fever," "Inflammation," "Cancer," "Consumption," "Dropsy," "Old Age," "Debility," "Convulsions," "Hemorrhage," "Accident," "Fracture," "Drowning," or "Homicide," without stating the cause which produced these conditions. If the deceased was a woman, whether single, married, or widow, and if death occurred during pregnancy, or within one month after delivery, or during labor, state the fact. If deceased was an infant, state whether it was born alive, and how long it lived. In all cases where there was a doctor in attendance, he must sign the certificate, and must state the time he last saw the deceased alive. In all cases of violent death, the coroner must hold an inquest, and must sign the certificate. In all cases of death from violence, or suddenly when apparently in health, or when the body is found dead, or when the cause of death is unknown, the coroner must hold an inquest, and must sign the certificate. See instructions on back of certificate.
